

-FREE PUBLIC FORUM- TRADE AND HEALTH IN THE PACIFIC

PACER Plus – Should we be worried?

Date: 12-13 April

**Venue:
Ground floor lecture theatre (G04)
City Campus, La Trobe University
215 Franklin St, Melbourne**

This forum will bring together researchers, activists and health professionals from Australia and the Pacific to consider a range of health issues at stake in the current renegotiation of the Pacific Agreement on Closer Economic Relations (PACER) as PACER Plus.
